ROCHESTER PHYSICIAN TO RECEIVE MMA PRESIDENT'S AWARD

MINNEAPOLIS - Noel R. Peterson, M.D., will receive the Minnesota Medical Association's President's Award at its 153rd Annual Meeting in Minneapolis. The award is given to physicians who volunteer their time and energy to serve on MMA committees and task forces.

The President's Award is given in recognition of Peterson's contributions to the medical profession through service to the MMA. Peterson is a urologist and urological surgeon at Olmstead Medical Center, where he is also president and CEO, and chair of the OMC Board of Governors. A member of the MMA Board of Trustees, Peterson served on the MMA Health Care Reform Task Force and currently serves on the Steering Committee of Healthy Minnesota, a Partnership for Reform.

The award will be presented at the MMA Awards Luncheon on September 14. The Minnesota Medical Association is a professional association of about 10,000 physicians, medical students, residents, and fellows.
