Accidents do happen...

No one plans to have a serious accident, so when one happens the financial consequences can be devastating. Unintentional injuries are the 5th leading cause of death in our nation, according to the National Safety Council. (National Safety Council, Injury Facts, 2013 Edition)

The Minnesota Medical Association endorsed Accidental Death & Dismemberment Insurance Plan provides a benefit in the event that you or a family member is injured in a covered accident. This is world-wide, 24-hour-a-day protection and pays in addition to any other insurance!

**Spouse and Dependent Children:**
Spouse covered at 40% of Member’s amount of AD&D insurance; Child (each) covered at 10% of Member’s amount of AD&D insurance.

**Spouse only:**
Spouse covered at 50% of Member’s amount of AD&D insurance.

**Dependent Children only:**
Child (each) covered at 15% of Member’s amount of AD&D insurance.

When you reach age 65, benefits will reduce to 75%; at age 70 they will reduce to 50% of the original amount of coverage; your coverage will terminate at age 75. Coverage can be continued as long as the master policy remains in force and you pay your premium when due. Coverage for your dependents terminates when your coverage ends, you stop paying premiums, or they are no longer eligible due to change in age, dependency or marital status.
