

2026 Gillette Children's Pediatric to Adult Health Care Transition Summit

Monday, May 18, 2026, 9:00 a.m. - 4:00 p.m. at Wilder Foundation

Register to attend in-person by May 4!
Register to attend virtually by May 11!

Summit Overview

The overall theme of the 4th Annual Summit is **Connection: Humanizing the Health Care Transition (HCT) from Pediatric to Adult Serving Systems**. In partnership with Got Transition and the Minnesota Department of Health, the Summit aims to enhance communication and partnerships that advance and support pediatric to adult HCT in Minnesota and beyond.

Who Should Attend?

- Anyone interested in HCT should attend
- Advocacy and professional organizations
- Care Coordinators, Case Managers, and Social Workers
- Health systems and administrators
- Insurers
- Pediatric/adult clinicians
- Persons living with childhood-onset conditions & their caregivers
- Policymakers
- School Nurses

After attending, participants will be able to:

- Define resilience in the context of life changes during the health care transition period, from youth, family, and clinician perspectives.
- Apply narrative medicine to humanize the healthcare transition experience.
- Describe how local Minnesota organizations implemented evidence-informed health care transition programs.
