

A Thank You to Our Dedicated Community Preceptors!

In 2024, the MMA, in partnership with the University of Minnesota Medical School, once again sponsored the "Exceptional Primary Care Community Faculty Teaching Award" at the Dean's Tribute to Excellence in Education Event.

2024 Exceptional Primary Care Community Faculty Teaching Award Recipient
Kelsey Leonardsmith, MD

Laurel Ries, MD and Kelsey Leonardsmith, MD

From the MMA

"The role of teacher is one of the most important roles that a physician can take. Thank you, Dr. Leonardsmith, for inspiring your students to take on a career in primary care, and for serving as a model of professionalism for so many."

LAUREL RIES, MD, MMA PRESIDENT

From the University of Minnesota Medical School

"Community preceptors play a critical role in educating our students. The medical school greatly appreciates the time and effort preceptors dedicate to medical education. Your participation has an impact. Thank you for all you do!"

MARK ROSENBERG, MD VICE DEAN FOR EDUCATION AND ACADEMIC AFFAIRS, UNIVERSITY OF MINNESOTA MEDICAL SCHOOL

Community Preceptor Toolbox

The MMA, in partnership with the University of Minnesota Medical School, has created a set of tools and resources to improve the training and support for clinical preceptors. **Visit our Community Preceptor Toolbox to learn more!**
