

MMA Policy Council Work Plan

This document is subject to change as issues or other work is identified for Council action; as appropriate, additional meetings may be added and/or subgroups may be created.

August 16th meeting:

- Policy Council Effectiveness – finalize process and timeline to be used for the HOD-directed review of the Council’s effectiveness
- Policy discussion (1-2, time permitting, from among the issue list)
 - EHR Common Clinical Data Set
 - Pornography as public health crisis (carryover from 2016 Open Issues Forum)
 - Access to care (confirm specific topics following input from May 2017 Board of Trustees strategic planning session, post-legislative session, Congressional/CMS actions, etc.)
- Finalize 2017 MMA Annual Conference policy forum plans
 - Identify topics for open issues forum

October 24th meeting:

- Finalize recommendations on issues from 2017 Open Issues Forum
- Council Effectiveness Review – status report on activities
- Policy discussion (1-2, time permitting, from among the issue list – see above)
